Wowww we are In May already, and it is almost MOTHERS DAY!!! It is a very special day for very special people.

To all the Moms out there who are doing the best that they can as always. Being a mom, teacher, friend, good listener, story teller and trying to add some smiles in this difficult times.

My Mom used to tell me, seemingly repeatedly, to do this and do that, not to do this and not to do that. ALL, I recall, very valuable advice. Looking back on it all these many years later, I can say she was, a very wise woman.

Time reveals, in fact, just about **every caring Mother is a Wise Woman**. I can see why we carve out a special day each year, and EVERY DAY! to acknowledge Moms.

So here is a shout out to all Mom's – **Happy Mother's Day!!**

Unfortunately, My Mom is no longer here. I am sure some reading this can relate and have similar stories. For ALL those whose Mom is no longer with us, may you remember the best about them. I always remember sitting on my mom laps while we were watching movies, I remember her sitting beside the window and sewing... There are also many who never knew their Mom due to unfortunate circumstance. I bet someone played that role in their life and they too deserve a Happy Mother's Day!

Regardless, we can celebrate this Mother's Day knowing Moms both here and no longer here are special in more ways than we can count.

Especially those moms taking care of sick kids that they are not even thinking about MOTHERS DAY, we want to help them by bringing smiles on her little ones faces.

That why we like to support and donate to MAKE A WISH!

Why I Support Make a Wish Canada:

One of my favorites life motivations has always been helping others and by doing so, supporting Make a Wish, I know I am not only contributing to making wishes come true but also giving myself the best reward which in this case, comes in the shape of a child's SMILE.

My team rally's around our annual goal of raising money and donating portions of our income to help Make a Wish in their quest to heal by making a wish come true to young people when they need it. My team and I are

committed to providing outstanding results for buyers and sellers referred to us by our past clients. I have discovered that Make a Wish shares similar commitments to their dreamers. And since their services survive on sponsorships and donations, we are happy to contribute and proud to support them.

I encourage you to visit their website at www.makeawish.ca and check out how they are making a difference in the lives of children and their families!
