Meet Humphrey, a year old Bull dog mix who, along with his brothers and many other dogs, had a rough start to his life and was surrendered to a city shelter. He is friendly and loveable with people, housetrained and knows his basic commands. He loves to sit with his people and get loving attention. He is smart and loves to play. He would do best in a home with:

- Access to fully fenced yard where he can run and play
- No other pets in the home or visiting regularly
- Experience managing large dog reactive dogs
- Willing to commit to ongoing socialization and counter condition training with a professional trainer

Humphrey is healthy, neutered, microchipped and up to date on his core vaccinations.
