

EXPERIENCE THE FUTURE OF DOWNTOWN MISSISSAUGA

Some will call the Exchange District a city unto itself, a mixed-use, vibrant and rich urban destination. Others may call it striking for its engaging architectural volumes. A lucky few will call it home.

Square One Shopping Centre

Exchange District is only a few steps to Square One Shopping Centre, Canada's second largest shopping mall with more than 2,200,000 square feet of retail space, 360+ stores, and attracting more than 25,000,000 visitors each year.*

Mississauga is home to several coveted public and private schools, as well as post-secondary institutions, including University of Toronto, Mississauga Campus, with 15,000+ students, and Sheridan, Hazel McCallion Campus, with 5,500+ students.*

Several arts, cultural and municipal venues are within walking distance, including the Art Gallery of Mississauga, Living Arts Centre, Mississauga City Hall, and Celebration Square.

Mississauga is a thriving business centre, home to the regional headquarters of 70+ Fortune 500 companies, with a projected population of over 800,000 people by 2031.*

“ EX2 is lifestyle-driven and more intimate. This is a great segue into what we are passionate about right now, and what the world at large is passionate about, which is a more authentic way of experiencing your environment. ”

Corrine Huard
Principal Designer, Joven Huard Inc.

Lobby, Concierge Desk and Resident Access

Artist's Concept

“ We decided to use a beautiful, curvaceous rock sculpture in the middle of the lobby. That centre planning - being able to see that sculpture from the exterior and as you walk in - creates a hub and a sense of community for the residents of EX2. ”

Sally Pollock

Interior Designer, Joven Huard Inc.

“

We're very proud of what EX2 brings to the Exchange District and to Mississauga as a whole. Designed for discerning residents seeking the conveniences of connectivity, we've introduced exclusive features to create an amazing lifestyle-focused residence, which is certain to be the gem of the Exchange District.

”

Joseph Feldman

Director of Development, Camrost Felcorp

EX2 residents will have exclusive access to a state-of-the-art Sky Gymnasium to experience the sun rise or set with breathtaking views of the Mississauga City skyline. Enjoy a run or brisk walk on EX2's unique 360° Sky Track overlooking the clouds and all of Mississauga.

The incredible Sky Restaurant will be a destination for many, but for you, a quick call for a pick-up means a gourmet meal without the prep time, mess, or commute.

An on-site grocery store with grab and go food offers convenient direct access from the EX2 lobby and perfectly complement the ease of everyday.

Rooftop Sky Restaurant

Artist's Concept

“

EX2 is the aesthetics of the development with a twist. We've introduced a rooftop restaurant with an outdoor patio and lounge. We've created a sky gymnasium at the top of the building, with a running track and 360° views of the city.

”

Henry Burstyn
Principal, IBI Group Architects

004 / SUITE FEATURES

exceptional suites

Suites at EX2 have been thoughtfully designed to maximize space with carefully selected features to complement your lifestyle. With state-of-the-art finishes, sleek layouts, modern kitchen and bathrooms, and an abundance of natural light, enjoy urban-inspired sophistication and innovative details.

EXPECT EVERYDAY LUXURIES

International leading brands bring coveted features to EX2 suites, including:

LATCH

Latch is an innovative smart access system that brings seamless access to every door in a modern building. With Latch, you can open and manage doors in a condominium building—all from the security and convenience of your smartphone. A fully integrated system of both hardware and software, Latch is expanding smart access through thoughtful and intuitive designs made for modern living. In buildings utilizing the Latch system, residents can open doors with convenient and flexible credentials, and share access confidently and securely with trusted visitors when they are away, by smartphone, doorcode, or keycard.

Trevisana Kitchens & Interiors perfects the essential features that are synonymous to the superiority of Italian design and artisan manufacturing. The Trevisana story began nearly half a century ago in Italy's northern province of Treviso. Today Trevisana Kitchens & Interiors proudly bring Italian quality made cabinets into Canadian homes, maintaining their core values of unsurpassed quality Italian workmanship.

KOHLER®

Since 1873, Kohler has been improving the level of gracious living by providing exceptional products and services for customers' homes and lifestyles. Kohler believes better business and a better world go hand-in-hand. Whether through beautiful kitchen and bath products, innovative engines and generators, memorable hospitality offerings or developing clean water, sanitation, and community development solutions around the world. To put it simply, Kohler strives to enhance the quality of life for current and future generations through design, craftsmanship and innovation, and is fueled by the passion of more than 36,000 associates worldwide.

FULGOR MILANO

Fulgor Milano's signature technology provides professional tools for your kitchen to help you achieve chef-worthy recipes. Offered as a creative concept and design in the world of cooking, Fulgor Milano promotes the Italian spirit of excellence around the world. Their use of modern equipment and machinery combined with lean production methods and dedicated human resources promotes a high level of quality and flexibility, providing the opportunity to transform the kitchen into a modern, innovative, friendly, comfortable, safe, ergonomic and stylish space.

“We’ve looked worldwide to round out the group of consultants that have designed the Exchange District to bring our vision to fruition... creating a vibrant urban district that’s a destination to the larger community but home to a lucky few.”

Joseph Feldman
Director of Development, Camrost Felcorp

IBI Architects

IBI Architects is a global architectural, engineering, and planning firm that strives to create liveable and sustainable urban environments. Formerly known as Page + Steele Architects, IBI is renowned for its extensive residential expertise and has shaped the Toronto skyline with many of the city’s most exclusive, high-end developments, including The Ritz Carlton, The Avenue, The Delta Hotel, Upper East Village, and more. With projects in Canada, the United States, the United Kingdom, the Middle East, and India, IBI’s multidisciplinary approach – from the creation of schools and hospitals, to the dynamic use of technology – has defined the cities of tomorrow.

BDP Architects
Retail Architects

BDP is different. The group, based out of London, England, is a unique collective with experts spanning the spectrum of the built environment, giving them a special status and capability in the design world. Experts in master planning, urban design, and improving the pedestrian realm, BDP continues to employ practices that focus on place-making and user-centred design. With offices that span the globe, including the United Kingdom, Europe, China, India, the Middle East, Japan, and Singapore, BDP looks to introduce a global influence on every project they touch.

Joven Huard
Interior Designer

JOVEN HUARD (JH) Interior Design Studio is an innovative collective of artistic professionals passionate about creating sustainable and engaging spaces, recognizing the imperative balances of aesthetic and purpose. The practice continuously evolves by working with the world’s prominent innovators and leaders in Hospitality, Residential, Retail, and Workspace industries. Each space is meticulously curated to respect and highlight its particularity and exceed client and end-user aspirations. With 20 years of dedication to art and design, experience includes previous work with leading global developers and hospitality groups such as Marriott premium brands (EDITION, The Luxury Collection, Bulgari), Hilton Hotels & Resorts, and currently AMAN resorts.

Integral Group
Engineer

Focused on deep-green engineering, Integral Group is the largest mechanical/electrical engineer in Vancouver for high-rise residential projects. Renowned for accelerating the shift towards environmentally responsive design, by making sustainable designs affordable and efficient, Integral Group gives life to high performance buildings and communities that respect and enrich the earth. With offices across multiple continents, Integral Group has consistently drawn on global best practices from an engineering front to deliver innovative and sustainable building systems.

Camcorp Construction
Construction

Built on experience. A member of the Camrost Group of Companies, for over 30 years, Camcorp Construction has offered a full complement of services in the construction process, from detailed design review through to project execution and delivery. Camcorp is known amongst the industry for their hands-on approach, meticulous attention to detail, and superior product quality. Camcorp is driven by a desire to innovate and source out new construction technologies, with an aspiration to better serve the end-user lifestyle.
